

March 15, 2013

Dear Jeannie Marie,

Thank you for coming to Sunnyside School. I really liked your book Looking in the Mirror. It was great. I loved it when you said that light inside you, that spirit.

Just like the steam in you the message I'm trying to say. The most favorite part of the story is when the girl helped the crying girl because that's the message you're trying to tell people.

Sincerely,
Francis Jones
